

# Ritual of Divine Severing

Light the five beacons of hope in the temples of the gods, then arrange the seven divine components in a circle at the center of the beacons and recite the incantation:

- 1. Phoenix Feather**
  - *Here, take the Archmage's Pen. It was passed down for millennia, but these are trying times. It was made of a phoenix feather and should suit your purpose.*
- 2. Unicorn Horn**
  - *There's an island just southwest of Los Thar where local legend says a unicorn makes its home.*
- 3. Flawless Diamond**
  - *The Monks at the Island of Enlightenment or the Clerics on Titan may have one for sale or trade, if they haven't used them all already. They only come from two places: Shukar Ana or Stezok.*
- 4. Mermaid's Hair**
  - *The pirates of Femmerouge tell stories of mermaids all the time, but surely they're all dead now that there's no sea?*
- 5. Vampire Lord's Fangs**
  - *There's only one place I know of to find vampires, and that's Nennurdur...*
- 6. Ollamh Harp**
  - *I heard of a halfling bard in Coe Lonn who had a harp with peculiar qualities... perhaps that's the harp you're looking for?*
- 7. Willing Sacrifice**
  - *You're on your own with this one...*
